The County Commissioners met in a special session on July 2, 2024, in the County Commissioners' room. Present were Commissioners Kurt Ifland and Jim Gwennap. Also, present was Ashley Maxwell, Clerk, and Travis Story, Assistant Road Supervisor.

At 8:02 a.m. Ifland called the meeting to order.

Gwennap stated he reached out to Bob's Inc. on Monday afternoon to discuss the amount of fuel available under our current contract. At that time, Wayne Boyle, gave Gwennap current contract prices. The current price for unleaded is \$2.00/gallon and diesel is \$1.80/gallon.

A motion was made by Gwennap and seconded by Ifland to move forward with purchasing additional fuel from Bob's Inc. Motion carried unanimously.

The commissioners contacted Wayne Boyle with Bob's Inc. via telephone to contract fuel. The commissioners informed Wayne they would like to contract 22,500 gallons of unleaded and 97,500 gallons diesel. Boyle informed the board that this contract would allow the county to utilize the fuel for up to 3 to 3.5 years.

A motion was made by Gwennap and seconded by Ifland to purchase fuel from Bob's Inc. for \$216,300.00. Motion carried unanimously.

The commissioners approved voucher #13151 for the road and bridge department for \$216,300.00.

The commissioners discussed the air conditioning in the extension office. Gwennap stated he contacted Nora Rhoades, Director, and Rhoades is comfortable waiting on an air conditioner as the board is currently obtaining pricing on a different HVAC system. The consensus of the board is to wait until the estimate is received for the courthouse HVAC system and not replace the air conditioner at this time.

At 9:19 a.m. a motion was made by Gwennap and seconded by Ifland to adjourn the meeting as there was no further business. Motion carried unanimously.
